MESSAGE FROM PASTOR JESSE

There is a story in the making here--the kind your grandkids will tire of hearing.

If it is God's will, walking them from the Kids' wing to the worship service for the first time, you will tell them about how you were a part of the first generation of The Redemption Church that made the whole project possible. We are

literally claiming ground for the gospel and that is a story worth telling. That is a beautiful legacy.

I have heard stories of the founding generations of each of the churches I have served across the U.S. and now we are writing those stories together. Let ours be a legacy of a vision for revival in this lost area. Let it be a legacy of tenacity, faithfulness, and audacious generosity.

This is my favorite church-planting story I have heard so far and I am honored that you would be a part of it with me.

- Pastor Jesse

The REDEMPTION Story

Things were bleak at the peak of pandemic lock-downs. In an area already severely under-churched in one of the most atheistic regions of the U.S, all three of the church plants based in Bellevue had shut down permanently. However, there was this group of crazy people rallying around an audacious and stubborn vision for God to bring revival. Pastor Jesse and his wife Jessi knew God had called them to plant a church in the heart of lostness. Surrounded by people who shared their sense of calling to this area, they held their first meeting at the AMC Theater in Factoria. The very first sermon was John 1 and the foundation for an audaciously evangelistic and ravenously biblical church plant began.

From 0 to 200 in 9 months flat

The Redemption Church bears fruit evidencing God's hand upon it. In our first months together, we have seen twenty-three baptisms, built volunteer teams around thirteen strategically evangelistic ministries, and met 100 souls brand new to church life in this region. We are off to a blazing-fast start!

Joining the Redemption Church has given my family a true sense of community, a place where we are all brothers and sisters in Christ. Finding this community has not only enhanced my own personal relationship with Jesus, it has also strengthened my marriage and helped my children grow in their faith.

-- **Angel Piller-Parrott**

I learned how to play guitar so that I could make a beautiful noise in worship, and yet the death of my sister had stopped me from even touching my guitar for two years. The Redemption Church gave me a reason to pick up my guitar; worshiping with my new church family has been a salve to my soul.

-- **Stephanie Byrd**

To me, Redemption Church means sound doctrine, solid Bible teaching, and passion for Christ.

-- **Jing Ping Chen**

We joined The Redemption Church to encourage the vision for revival in Washington and make a difference here.

-- **Ken & Liz Osborne**

Redemption Church is one of the 1st churches that we have attended that has challenged us to get involved in ministry. Pastor Jesse's teaching directly from the Bible has opened our hearts and minds to be obedient to God's Word.

-- **Michael & Elese Newman**

Many of the baptisms in our first year as a church plant were little ones making beautiful proclamations of faith in Jesus! The full music ministry of The Redemption Church includes not only the band you see on Sunday mornings, but also Redemption Kids Jam – our amazing kids' choir. Jessi Campbell and her team offer heartfelt and biblical ministry to our Preschool and Elementary aged kids each week.

Our Student Ministry is disproportionately large for a church plant our size - especially for a ministry that meets at the Lead Pastor's house! They study every passage their parents study and are locked-in book-by-book with The Redemption Church's plan go through the whole Word of God. Sure, there may be the occasional bonfire, tomahawk throwing, skateboard shredding, and gumbo devouring, but the core of this Student Ministry is a culture of biblical love.

WHERE WE ARE NOW

Having made most of the necessary start-up purchases and returned all of the borrowed gear, our trailer is nearly completely stocked with all that a church needs to offer musically excellent worship and professional-quality media. We have hired staff and stocked our reserves to cover costs in the event of a financial downturn. We have identified lenders through whom we could secure a mortgage allowing us to purchase property. We have worked with Ministry Advance to solidify financial goals that align with Pastor Jesse's vision to secure the future of The Redemption Church.

Now, we are rallying the troops to the cause.

John 1:1-5

"In the beginning was the Word, and the Word was with God, and the Word was God. He was with God in the beginning. All things were created through him, and apart from him not one thing was created that has been created. In him was life, and that life was the light of men.

That light shines in the darkness, and yet the darkness did not overcome it."

if it's GOD's WILL

With our own building, innumerable ministry opportunities open that are currently impossible. Our ability to minister to Kids skyrockets and the future of The Redemption Church is secured for the next century. The only light that can illuminate the Seattle area's darkness is the light of Jesus Christ.

By giving to The Revival Project, we have the opportunity to literally claim ground for the gospel and facilitate a life legacy of revival in each of our joined testimonies.

We need a facility other than Pastor Jesse's house to capacitate ministry throughout the week and for our numerous outreach ministries.

Raising \$1,045,000 would allow us to meet all of our annual budgeted operating expenses for two years AND allow us to purchase property. Let's give together and watch God light up the darkness in our area!

One Fund, One Goal

Prayerfully scan this list of financial gifts we need to reach \$1,045,000. Listen to the Holy Spirit's prompting to see where God is calling you to contribute - both in regular giving and above-and-beyond giving. Whether it is \$2,500 or \$150,000, give what is in your heart and do not hold back. Pray for revival in our area. Implement what we as a church learned from John, Acts, Apologetics, and Evangelism. Light up the darkness of this area with your generosity and with your obedience to the Spirit of God.

EXTRAVAGANT GIVER

PERCENTAGE GIVER

INTENTIONAL GIVER

FIRST TIME GIVER

Our giving indicates much about our hearts. Growing in our faith causes us to trust Him more with our finances. How beautiful would it be to see this campaign not only help us land in a permanent facility, but also grow in the degree to which we trust Jesus with our finances.

Take a look at these steps and see where you are, then listen to where God is calling you next. Is God calling you to finally give for the first time? Let's roll. Is He calling you to graduate from giving by a percentage to giving extravagantly? Let's do it. Is God calling you to not just skim off the excess, but give sacrificially? Let's obey.

PRAY - Ask God for wisdom on how much you should give.

DECIDE - Be deliberate, willing to sacrifice, and specific.

COMMIT - Let us know your contribution and stick with it.

TRUST - Trust that God will provide and equip His bride!

Closing Thoughts

The darkness of our ministry context is nothing compared to the light of the gospel. John 1:5 even gives away the ending: "that Light shines in the darkness and yet the darkness did not overcome it."

The exorbitantly expensive real estate market in our area is nothing compared to God's provisions through His people and that is YOU.

We already know the ending: Jesus wins. So, may we pray and give and obey accordingly! Light up the darkness.
